Over 40 years of design

With over 40 years of design expertise, Giavani Bathrooms specialises in creating spaces that are streamlined, comfortable, and effortlessly stylish - capturing the very essence of contemporary design.

Our curated collection of bathroom products and accessories reflects decades of design heritage and craftsmanship. Every item in our range is meticulously crafted to the highest standards, combining precision engineering with refined aesthetics. The result is a seamless blend of form and function: products that not only perform flawlessly but are built to stand the test of time.

Guarantees

Please note that our guarantees cover our products for normal domestic use only. This means they cover the material structure of the product against manufacturing defects for the guarantee period stated and are only applicable in the UK and Republic of Ireland. These guarantees are subject to certain exclusions and terms and conditions which do not affect your statutory rights.

They do not cover

- Non-domestic use
- Failure to install correctly
- Fair wear and tear
- Electrical failure
- Moving parts which are likely to perish over time
- Neglect or misuse

AW 2026

New Product Highlight

Leo

Heating Range - p. 92

Leo radiators are a new product range from Giavani Bathrooms, available in numerous configurations and colours. With up to 5 sizes in both vertical and horizontal configurations, they can also be specified with a single row of bars or can be doubled up for maximum heat output with minimum space used.

Como

Furniture Range - p. 6

The Como collection offers three different trend finishes: Matt Grey, Matt Black and Natural Oak. Make a statement with our Como collection to give your bathroom an elegant finish. Handleless features, soft closing doors and high quality counters will add the finishing touches to your beautiful bathroom.

Halo

Mirror Range - p. 108

The new Halo range of mirrors illuminate your reflection with a unique weaving pattern of light that surrounds the perimeter. Turn on, change colors and activate the heated pad with just a tap of the touch switch.

Slate Trays

Shower Trays Range - p. 44

Bring a natural look to your shower space with our slate shower trays. Crafted for sleek shower units, these trays blend the natural texture and depth of slate with modern durability and precision drainage, making them the perfect foundation for top-quality shower enclosures. Includes matching grate.

Niche with LED

Niches Range - p. 60

Niches are a space-conscious way to store your shower essentials right where you can get to them. Our new range of Niches with LED lighting are stylishly simple additions to your bathroom and can create another lavel of ambient calming to the room where relaxation counts the most.

Giavani Smart WC

Sanitaryware Range - p. 20

Introducing the Giavani Smart Toilet – the first in its category to popularise a two-piece, back-to-wall smart WC in Europe. Combining premium quality, modern design, and exceptional value, it meets today's highest hygiene standards and includes all essential smart features.

Furniture

We offer a concise but stylish array of bathroom furniture, with basin units, L-shape furniture kits and wall hung vanity's amongst more. Our new Como and Sienna ranges feature the latest in contemporary bathroom design. With natural and calming colour ways and intricate details. All our vanity units feature a high quality basin, ready to be paired with one of our beautiful taps.

- Humid resistance finishing
- can bear up to 75kg weight
- Handleless design
- Easy cleaning & bacteria free
- Soft close doors & drawers

Sanitaryware

High quality sanitaryware is essential for any contemporary bathroom. Giavani offers a wide range of WCs to suit any project. Whether it's wall hung, back to wall, comfort height, short projection.. anything is possible! Our range of sanitaryware is complemented by flush plates, cisterns, and basin units. All of our sanitaryware is designed to last and comes with a lifetime guarantee.

DOUBLE-SHIFT WATER OUTLET

The design of the 3/4.5L double-shift water outlet not only ensures a thorough clean, but it also saves water.

WHOLE-SEWER GLAZING

The inner surface of the sewer is completely glazed, ensuring that there is nowhere for dirt to hide, minimising the chance of blockages.

RIMLESS TOILET

Traditional flush rims attract germs, dirt and deposits. Each Rimless Toilet is designed entirely without a flush rim, so there are no places where bacteria and odour can develop.

EASY TO CLEAN GLAZING

The smooth surface of the porcelain glaze has been specifically designed to be easy to clean, with no hidden or hard-to-reach places where bacteria can build up.

SOFT CLOSE SEAT COVER

A built-in damper reduces the impact and noise made by the seat cover when it's closed.

EASY ASSEMBLY & DISASSEMBLY

The design of easy assembly & disassembly is excellent. A slight twist can ensure easy cleaning of the toilet.

LIFE TIME GUARANTEE

Shower Trays & Wetroom Kits

The right shower tray can elevate your showering experience tenfold. Pick from our standard stone resin shower trays or go for a more natural look with our new slate trays with matching colour grate. Double skinned for extra strength and available in square, quadrant and rectangle configurations, all our trays pair perfectly with Giavani shower enclosures and wetroom screens.

Bronte

BY GIAVANI bathrooms

Introducing the brand new Bronte by Giavani Brand... Established in 1983, Bronte Whirlpools Ltd has been designing and manufacturing whirlpool products with excellence here in the UK for over 40 years. The industry-leading whirlpool and airspa products have been carefully crafted to enhance your bathing experience and add an extra layer of luxury to your home. Bronte by Giavani allows our customers to experience the incredible quality and reliability of Bronte Whirlpool products in our equally high-caliber Giavani baths.

Whether you seek an invigorating zonal massage or a soothing space to relax and unwind, rest assured Bronte Whirlpools by Giavani have got you covered. Choose from our whirlpool systems, air spa systems and combination systems to find the perfect product that is tailored to your needs. Additionally, we offer extras such as heaters, aqualights and additional jets to suit your preference.

Made in Britain

Whirlpool Systems

Our whirlpool jets offer a zonal massage just where you need it. The pressure can be adjusted by the control on the top of the bath. These systems are offered with a minimum of 6 side jets, plus added back and foot jets to suit your preference. The image shows a 10 jet system (6 side jets, 2 back jets & 2 foot jets).

ANTIBACTERIAL PIPES

While our Maxidrain pipes are designed to self-drain - or are automatically blown out in spa systems - our antibacterial pipework provides added peace of mind. The built-in antibacterial additive remains effective for the lifetime of the bath. For optimal performance and cleanliness, we recommend using our Whirlpool cleaner regularly to keep your whirlpool system in peak condition.

Description	QC	Product Code	Price
Antibacterial Pipe	6644	BRNT-ANTIBAC-PIPE	£183.00

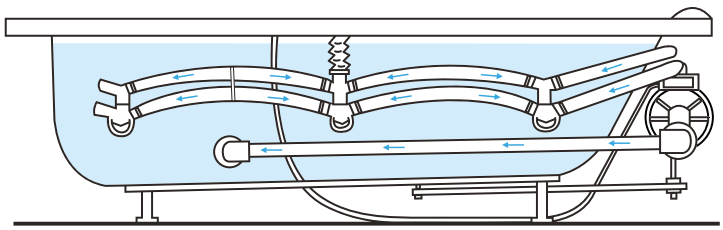

In 24 hours 500,000 bacteria

Section through non-treated pipework after several weeks' use

Section through Maxidrain pipework

In 24 hours 10 bacteria

Maxidrain, with its arched pipe, v-shaped jets and sloping suction pipe, empties the water back into the bath and down the plughole. Simple but effective.

Heating

Our extensive range of bathroom heating products are made to last and come with a 10 year guarantee. The range consists of ladder rails in multiple finishes and designer rails with single and double formats. The new Leo and Libra range have a huge range of configurations from horizontal to vertical, single and double and many, many sizes. With the bitter cold mornings that we so frequently experience, take off the edge with a stylish Giavani radiator. Available with many styles of valves.

EN442 standards compliant

Compatible for use on all UK heating systems

Can be converted to electric

High heat output

It's the little luxuries in life that elevate your daily routine. Turn ordinary moments into something truly special.

SPC FLOORING SPECIFICATIONS

1. **UV Coating Extra-Durable**
   Adds maximum resistance to UV from the sun, the colour keeps stable without tarnish. This superior layer avoids the deterioration due to scratches, stains or clefts.

2. **High Resistance PU Protective Layer**
   Ceramic micro-pearls composition reduces wear, guarantees extreme durability and acts as an extra layer of protection.

3. **PVC Decorative layer**
   The superior layer of vinyl is the designed element to give style to this technic pavement.

4. **SPC Board**
   The SPC board is characterised for being dense, 100% waterproof with the guarantee of resistance against expansion and shrinkage.

5. **EVA Backing**
   Adaptable to small imperfections of the sub-floor providing damping.

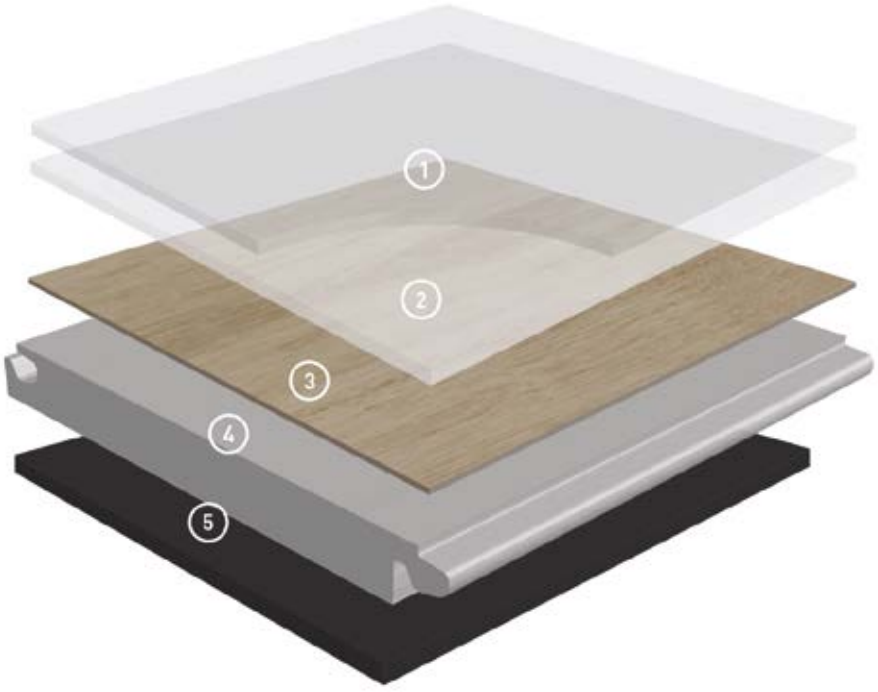

6. **6 mm Thickness**
   The perfect thickness, the tiles are easy to manage and install.
